7. Steers will be evaluated for marketability for the sale. Those exhibitors determined to have "no-sale" animals will be notified by Noon Tuesday of the fair.
8. It is highly recommended to have rubber mats or pieces of plywood under the front legs of cattle. **All mats and sand must be covered with straw at all times.** Exhibitors should also have milk crate or wooden box to hold water pail fastened to wall.
9. Every youth may have limited assistance in clipping and grooming by a Leader, parent, and other active St. Clair County 4-H Beef project youth only. Eligible helpers must be willing to help everyone not just one youth. Assistance will be allowed as a show how, not by doing. The older you are the less assistance you get. Violation may result in the disqualification of the entry and exhibitor.
10. All cattle moving to a show, sale, or exhibition are required to have an official radio frequency device (RFID) ear tag.
11. In January each youth will weigh-in and tag a primary steer, with an option to weigh-in and tag one (1) extra steer per family. No youth can take someone else's primary steer. If you don't tag an extra steer, you still have the re-tag policy.

2. As part of the calf's diet, calf may receive milk from cow (run on cow), but must be weaned by the time of fair.
3. All prospect calves need to be castrated and dehorned and fully healed before the fair to be exhibited. If there are signs of horns, only 1 inch maximum will be allowed. No swelling, signs of decay, trauma, drainage, no hanging, etc. allowed.
4. **Prospect beef will not be sold at Livestock Auction.**
