| _____ 8. Chalaza | H Lining the inner surface of the egg |

Brooder Care

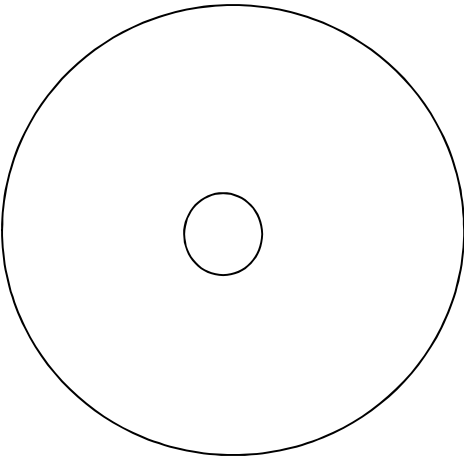

Draw what the chicks would look like for the following examples.

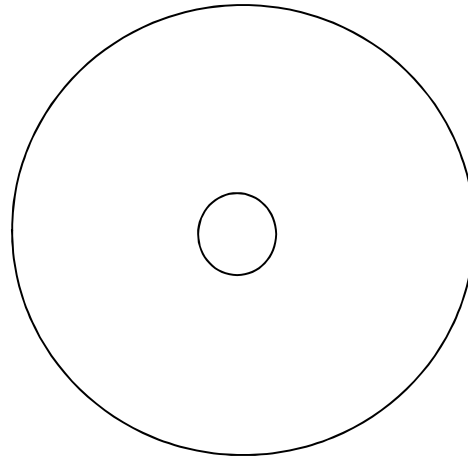

Too Hot

Just Right

Too Drafty

Too Cold

It takes _____ days to incubate chicken eggs.

_____ days to incubate turkey eggs.

_____ days to incubate duck eggs.

Housing

How did you house your birds and keep them healthy?

What did you learn most while doing this project?

Include photos/drawings of your poultry housing here

Proof of Hatch Date

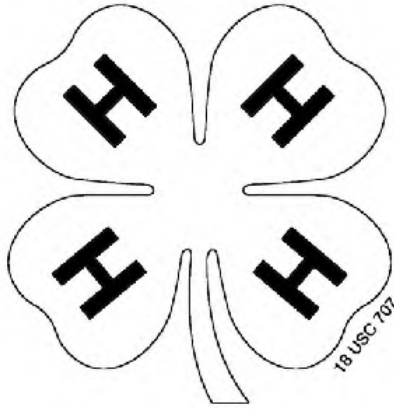

Place your receipt from purchasing your birds below. This shows the Proof of Hatch Date of your birds. If you have purchased your birds as a club, each member will need a copy.

What's the difference . . .

Hatch Date- Is the day that the birds are hatched.

Purchase Date- The date that the chicks are shipped.
