Veal calves **must** be tagged on the first Saturday in May from 8:00 am - 11:00 a.m. at Goodells County Park. **Clover Sprouts, see Clover Sprout section, Page 12.**

### **Project Requirements:**

1. A veal calf is an immature bovine animal, usually not over four (4) months of age, that has been raised only on milk or milk replacers, which makes the color of its meat a light grayish-pink. 2. All calves should be housed on bedding of wood chips or sawdust. Straw or other edible products should never be used.

3. Maximum weight of 150 pounds at May weigh in. There will be no maximum weight at fair. However there is a minimum of 180 pounds. Exhibitors having calves that are underweight will have the option of participating in showmanship with their calf or removing the calf from the fairgrounds. If the exhibitor decides to participate in showmanship, the calf must remain on the fairgrounds until Sunday at 8:00 a.m., or designated time. Underweight calves will not be permitted to show in the market classes.

4. Veal calves are to be exhibited like a beef animal with no show stick. Exhibitors are to wear a dark colored jeans or slacks and should be in a collared shirt or blouse and leather boots or shoes. Hats, T-shirts, club shirts, shorts, tennis shoes and gum chewing are unacceptable and will not be allowed in the show ring. The show halter should be clean, neat, properly adjusted and in good repair. The halter should either be leather or nylon web (flat strap). Please read "The Show Ring Code of Ethics".

5. Classes may be divided at the discretion of the supt.

6. The exhibitor should be able to handle the calf to its best advantage. This includes preventability, cleanliness of exhibitor and calf, ability to lead the calf, and keep it under control in the show ring. Inability to do so may result in a lower rating.

7. Exhibitors may exhibit and sell only one veal calf. Each family may tag an additional veal calf which may be substituted upon death or illness of original veal calf. Those not tagging an additional calf are subject to the re-tag policy.

8. All medications must be discontinued prior to the date specified on container. Each exhibitor in veal and their parent will be required to sign the Livestock Drug Testing Auth. form.

9. Exhibitors may show a veal calf that is a bull or heifer. Castrated calves are not permitted.

10. It is highly recommended that exhibitors bring water from home for their animal.

11. Exhibitors are responsible for any veterinarian bills.

12. Must have a RFID tag.
