LIVESTOCK RULES & REGULATIONS

REGISTRATION & FAIR ENTRY

1. All market animals must be tagged at a place and time designated each year by the Junior Livestock Sale Committee in order to be eligible for showing and sale. In the event your market animal loses an ear tag provided by the St. Clair County 4-H & Youth Fair, it is the exhibitor's responsibility to contact their superintendent. It is the superintendent's responsibility to ensure that no market animal enters the fairgrounds at fair time without proper St. Clair County 4-H & Youth Fair identification.
2. Ear tags, tattoo markings, ear notches or color markings must correspond to the registration papers.
3. All state sanitary and health regulations must be met, and will be checked prior to unloading animals.
4. Refer to individual project areas for check in times of animals, or the chart in this book.
5. All livestock projects must be registered by a date set by the Fair Board, found in the Rules & Regulations division

of this book. Animals not registered will be subject to the Fair Board policy regarding ineligibility for grand and reserve champion, denial of premiums, up to not being allowed to exhibit.

Market animals (beef, sheep, swine, goats) must be owned and under exhibitor's daily care according to established rules and regulations for the fair or livestock exposition. This also includes all small market animals (rabbits & poultry). The official ownership date is the date shown on the bill of sale, unless the animal was bred by the exhibitor, in which calving or birth records must be shown. (Local rules may determine ownership requirements for non-market animals). Registered breeding livestock must show the exhibitor as the sole owner of the animal on the breed association papers or certificates.
7. No exhibitor may show an animal which has been previously sold at an auction or sale as a market animal through another fair, livestock show, whether or not there is an actual change of ownership (progressive level shows excluded). Any method used to misrepresent the age of an animal for a class in which it is shown is deceptive and considered illegal. Showing an animal for another individual by claiming ownership in order to show in a specific livestock class or event is prohibited. False ownership is illegal.
8. Livestock dairy, beef, sheep, swine, llamas, goats, poultry & rabbits cannot be exhibited at another exhibition within 14 days prior to the first day of fair.

3. All exhibits of livestock and the area occupied by them must be kept in good order by the exhibitor as directed by the superintendent in charge.
4. Each exhibitor and/or exhibitor's group is responsible for their own cleaning equipment such as rakes, forks, shovels, broom, feed dishes, water buckets, hoses & wheelbarrow.  10. The Fair has a veterinarian designated for the fair to perform check in of livestock and monitor their health throughout the fair week, as well as act as a liaison with the Michigan Department of Agriculture and Rural Development. There is **NOT** a veterinarian "on call" or available to exhibitors to treat their livestock during the week of fair. Exhibitors are required to consult with their own veterinarian and assume responsibility for all costs associated with their animal's medical care.
 11. Livestock should be fed and watered prior to 10 a.m. each day of the fair and again by 7 p.m. each day.
 12. Pen(s) should be cleaned as necessary throughout the day and check feed and/or water livestock throughout each day.

2. Exhibitors may replace a steer in the event of death or injury/illness that is irreversible and documented by a vet or superintendent on or before April 30. Proper contacts must be made with the superintendents and the replacement animal form completed and turned into the Fair Board, Livestock Sale Committee, and the project superintendent.
3. Exhibitors may replace a market lamb, goat, hog or veal in the event of death or injury/illness that is irreversible and documented by a vet or superintendent on or before May 31st. LIVESTOCK DRUG & HEALTH

1. The use of any illegal drugs is prohibited. Legal or illegal substances used to phenol typically alter the appearance of an animal entered in livestock events is prohibited. Use of illegal drugs is considered a premeditated act!
2. Any information obtained in the practice of illegal alteration of an animal will be turned over to the proper authorities for criminal prosecution. **THIS IS A ONE STRIKE AND YOU ARE OUT POLICY!** Exhibitor will forfeit any premium, awards, or auction proceeds, and will be prohibited from further competition at shows in the United States; as well as being subject to criminal prosecution if proven guilty.
3. Treating an animal internally or externally, with any irritant, counter-irritant, or other substance used to artificially change the conformation or appearance of an animal for show is considered unethical, inhumane, and is prohibited. This includes, but is not limited to the use of graphite, powders, hemp, artificial hair coloring, common products such as fly spray, ointment or liniment used to the point that it is irritating (unless required to reduce edema at time of calving) or similar type products. The use of dyes, spray paint or other artificial coloring which result in altering an animal's true and natural appearance and/or color is prohibited. Adding false hair or hair-like material, fleece or skin at any point, spot or area of the animal's body is illegal and will result in immediate disqualification. Any liquid or substance not considered part of an accepted and normal diet for livestock is deemed illegal and inhumane. For example: the use of alcoholic or carbonated beverages as a drench or filler, etc.
4. The use of tranquilizers, sedatives, or depressants which alter the physical or physiological state of the animal is

illegal. Exceptions to this rule would be a licensed, certified veterinarian's treatment for a recognized disease or injury, or recommendation for tranquilizing breeding animals in heat that might compromise the safety of others. The drugs must be approved by the Food and Drug Administration for use in meat producing animals. All exhibitors shall advise show management of any drugs and/or medications administered to an animal that might be detected at the time of showing or at meat inspection. The name of the drug, its purpose, the person who administered the drug, time and date of administration shall be presented to show management prior to the showing and sale of the animal. Failure to report this information to the show management/superintendent will result in severe penalty and/or disqualification. Any use of drugs or substances not approved by the Food and Drug Administration is strictly prohibited. All animals entered into livestock competition shall be subject to testing for foreign substances that exceed acceptable levels established by the FDA, FSIS, USDA or EPA. During the livestock events, in the case of animals requiring treatment, all medications shall be administered by a licensed veterinarian and the livestock superintendent shall be notified.

5. The balancing of the udder by abnormal means that include the use of a mechanical contrivance or the injection of fluid or drugs, setting the teats and/or occluding (sealing the ends) with a mechanical contrivance or with the use of a chemical preparation is illegal. Treating or massaging the udder or its attachments with an irritant or counter-irritant is prohibited.
7. The Society reserves the right to require animal health certificates. Health inspections and diagnostic tests may be made before or after animals are on the livestock show premises for exhibitor and animal safety, or to regulate disease control procedures which may become necessary in emergencies as determined by animal health officials.
8. Any animal is subject to examination or tests to determine if a substance has been administered to alter its conformation and/or temperament.
9. Exhibitors of all market animals must certify their compliance with manufacturer's pre-market withdrawal periods specified for any medication, drug, pesticide, or feed additives administered.

10. All tests will be conducted at the time of show.
11. "The Livestock Drug Test Authorization" must be read and agreement implied and consented to at the time of entry into the fair.

LIVESTOCK EXHIBITOR CONDUCT

2. Exhibitors are expected to feed, water, care for bedding, cleaning and groom their animals while at the fair or livestock show. (Individual consideration will be given in extenuating circumstances). Adults will not be allowed to physically assist in the preparation of the animal while at the show. Verbal instruction will be allowed, but no physical assistance permitted. Physical assistance may be rendered by other junior-aged members in good standing in 4-H and FFA programs. Any violations of this rule may result in immediate disqualification from the show.
3. The use of inhumane fitting, showing and/or handling practices or devices shall not be tolerated. For example: Breaking of tails, striking of the animal to cause swelling or for bracing purposes, use of an electrical contrivance, or use of overly severe bits is not acceptable.
4. Direct criticism or interference with the judge, show management, or exhibitors, breed representatives or show official before, during or after the competitive event is prohibited.

2. At the time an animal is sold at the livestock sale the exhibitor shall be held directly responsible for animals that are rejected at a processing center due to the presence of foreign residues. The seller may be liable to the buyer for an amount equal to three times the purchased price and may also be liable for attorney fees and civil penalties. Show management may share

4. Animals not shown in a market class on show day cannot be sold in the sale unless approved by the Livestock Committee.
5. Those desiring not to sell must notify the superintendent in writing by the show conclusion of their judging day that they wish to withdraw from the sale. No animals may be withdrawn after this date and hour.

7. All market livestock are to be shown and sold by the registered owner. Exceptions may be brought to Fair Board.

9. Exhibitors may only sell their livestock by private treaty upon completion of the Junior Livestock Sale on Thursday. Exhibitors selling or listing for sale prior to the completion of the livestock sale will be considered the same as members cosigned and refusing to sell as far as the rules are concerned. Market animals excluded from the livestock sale are prohibited from soliciting and advertising their animals until the conclusion of the sale.
10. The exhibitors of the animals sold on the Junior Livestock Sale will turn over to the Livestock Committee a percentage of the sale price (commission) of their animal or animals. The funds of the Committee thus collected will be used to pay for livestock sale expenses.

14. All re-sales become property of the Junior Livestock Sale Committee to be resold for market. Proceeds will go to the Junior Livestock Sale Committee unless otherwise specified and agreed upon by the Junior Livestock Sale Committee. 16. Overweight hogs to be sold last in the sale order or as otherwise specified by the Sale Committee.

GRIEVANCES

The St. Clair County Agricultural Society/Livestock Sale Committee will accept protests as a means of initiating a drug testing procedure. Forms are available in the fair office. Those making the protest will assume all initial costs for the test. Any violation of Livestock Rules and Regulations or specific rules as designated by The Society will result in forfeiture of premiums and awards, disqualification, and may result in probationary status and/or loss of eligibility for future participation in organized livestock competition. Possible civil penalties may be imposed by the proper authorities based on evidence provided by the livestock show of exhibitors in violation of the Federal Food, Drug and Cosmetic Act/or the animal mistreatment, neglect and abandonment laws that apply on the local, state and national levels. The decision of the livestock show management will be final. Other cooperating shows, (The International Association of Fairs and Expositions, The American Livestock Show and Rodeo Managers Association, the Western Fair Association) will be notified of the action taken by The Society which may affect the eligibility of the individual, group or sponsoring organization for participation at other shows who are also members of these organizations.

By making entry in this livestock show or event you are verifying you have read Livestock Rules and Regulations and understand the consequences of and penalties involved for illegal, unethical, inhumane, and unfair practices of competition. You also verify that you and your family may be prohibited from future participation in organized fairs and livestock shows in the United States, and could face possible criminal prosecution and/or civil penalties if implicated in any of the aforementioned acts.

Further, by entry into the St. Clair County 4-H & Youth Fair you are authorizing the testing of any of your animal exhibits for tranquilizers, sedatives, depressants which alter the physical or physiological state of the animal which are deemed illegal by exhibition, and/or dyes, coloring agents, graphite, powders, hemp, artificial hair coloring.

LIVESTOCK CARE AGREEMENT

By submitting an entry form and typing yes to this agreement, exhibitor agrees to provide humane treatment to their livestock project animals. This includes but is not limited to proper feeding, watering, and cleaning of pens throughout the entire fair week. In the event the superintendent notes improper care or cleanliness of their pen, exhibitor accepts the following consequences which will occur:

If a superintendent deems there's a violation in rules on cleanliness and/or general care for livestock, the superintendent will place a red tag on the pen. Exhibitors are

to rectify the outstanding problems immediately, but not later than two hours after the red tag notification is placed on the pen.

Exhibitor further agrees to clean their pen(s) and feed and water their livestock prior to 10 a.m. each day of the fair. Exhibitor further agrees to clean their pen(s) as necessary throughout the day, and feed and water their livestock by 7 p.m. each day. See definition of a clean pen under Livestock Exhibition Guidelines.

Exhibitor further agrees to provide all necessary bedding materials for their pen, as well as feed for their livestock during the week of the fair. Exhibitors further agree to provide all necessary equipment for the barn as stated in the Livestock Exhibition Guidelines.

RED TAG POLICY

1. Any pen/stall/cage not clean or animals fed/watered by the designated times as outlined under Livestock Exhibition Guidelines shall have a "red tag" placed on their pen/stall/cage.
2. Upon a "red tag" being placed on a pen/stall/cage the exhibitor shall have two hours to rectify that offending condition.
3. If the offending condition has not been rectified within two hours, the superintendent/fair representative will call the exhibitor and/or parent to notify them of the placement of a "red tag" and the requirement that the offending condition must be rectified within an hour.
4. If the offending condition has not been rectified after an hour upon notification to the exhibitor and/or parent of the exhibitor, it will be considered that the exhibitor has one violation of the Livestock Exhibition Guidelines.
5. Once an exhibitor has two violations of the Livestock Exhibition Guidelines relating solely to the pen/stall/cage cleanliness or their animals not being properly cared for the exhibitor may be required to remove their exhibition from the fairgrounds, at the discretion of The Society.

GENERAL REQUIREMENTS & RULES

1. It is required that all exhibitors are enrolled in 4-H with a club in St. Clair County. All participants wanting to show in the horse project during fair must be in a registered St. Clair County 4-H club by May 1 of the current year. No exceptions!
2. If a situation arises that is not specifically covered by these rules, you should refer to the state guidelines, "The Horse and Pony Project Show Rules & Regulations Book" as well as the "Michigan 4-H Miniature Horse Show Guidelines" issued through Michigan State University, and available at the County Extension Office or on the following website:
http://msue.anr.msu.edu/uploads/234/40261/State_Rules/pdf
3. Located in this book is a list of Rules & Regulations for Exhibitors. This information should be read, in addition to the Horse & Pony Rules & Regulations, as well as the Michigan 4-H Miniature Horse Show Guidelines.
4. The Fair Superintendent(s) will handle any rule not printed in the Fair or State Rule books. IT SHOULD BE UNDERSTOOD THAT ALL HORSE SUPERINTENDENTS HAVE THE AUTHORITY TO PULL ANY HORSE/RIDER FROM ANY RING AT ANY TIME FOR EXHIBITING UNSAFE CONDITIONS, OR UNSPORTSMAN LIKE CONDUCT! SAFETY RULES MUST BE FOLLOWED AT ALL TIMES.
5. Rules & Regulations listed in the Fair Book by Fair Board shall apply, in addition to these rules & guidelines.
6. Failure to comply with any of the rules, requirements, registration requirements or deadlines and/or failure to provide stall duties and project sponsor money may result in the ineligibility from any or all of the following: championship classes and premiums.
7. Every club must have an adult representative at the fair at all times. A senior exhibitor is NOT considered an adult representative. A parent, guardian or leader must supervise practice riding. Bareback practice is limited to the day of showing that class at the designated times, in designated ring.
8. Overt coaching will be penalized.
9. Stalls:
 - a. The Horse Superintendents must approve all stall changes.
 - b. Each stall may have one fan. No other electrical appliances of any kind are to be placed in stalls.
 - c. No hay bags are to be left in stalls overnight.
 - d. No haul-in animals allowed in barns.
 - e. Only exhibitor registered to a project animal is allowed to ride that project animal. (NO ADULTS, TRAINERS, OTHER PARTICIPANTS OR SPECTATORS) In the event of an emergency situation parents or trainers may ride project animal after clearing it with a horse superintendent.
10. No night riding is allowed. No riding in rings after 9 p.m.
11. Protective Headgear: The helmets must meet the specifications of the American Society for Testing and Materials (ASTM), must be manufactured and distributed by a participant in the certificate program of the Safety Equipment Institute and must bear the SEI certification (SEI F1163 or above). Show official reserve the right to spot check at any time to verify compliance with helmet rule. If the helmet comes off the head while in a class it is an automatic disqualification. All participants in all hunter (over fences, on the flat and bareback), dressage, bareback, saddle seat and gymkhana classes are required to wear properly secured protective riding helmets whenever they are mounted. The exhibitor (or his or her parent or legal guardian if the exhibitor is a minor), not the local show officials or judge, is solely responsible for complying with the headgear rule.
12. Back Numbers: Exhibitors must display a visible number(s) in all classes. Any exhibitor failing to display a number(s) or displaying the wrong number(s) is disqualified.
13. The project animal's age is determined as of January 1 of the current year.
14. Project animals may be shown by siblings, limit two siblings per project animal. They may show in the same division, but NOT in the same class. Two Non-Sibling members can share a horse. Members sharing horse, limit of two members sharing, must be in opposing Jr. & Sr. age group and cannot show in the same classes.
15. No exhibitor may show in the same animal project in multiple counties.
16. Horses in all classes must be serviceably sound, or they will be excused from the ring at the judge's discretion.
17. Exhibitor should own or have under continual care, as much as possible, their project animal. Feed and care should start no later than May 1st and continue through fair.
18. All horses must have a negative Coggins test to participate in Fair. **The original Coggins must be shown at check in** and a copy must be submitted to have on file. Test must have occurred at least one year from haul-out date of fair.
19. The following is a deadline schedule for turning in required forms, documentations, etc.:

May 1 – Project animal must be registered by this date, by turning in a Fair Horse Photo ID form along with a copy of said animal's current negative Coggins. It must be submitted with an identifying photo of the project animal. All photos must be clear, bright enough, and show all distinctive markings. There should be no tack or rider in the photo; except for the halter and lead. No other photos will be accepted. Failure to register project animal by these guidelines will disqualify exhibitor from exhibiting.

HORSE & PONY CONTINUED

July 1 – Deadline for exhibitors to sign up for fair. All entries must be done online at www.stclaircounty4hfair.org

No late entries accepted after July 1. All horse classes to be competed must be listed in the online entry, including project record book. The online entry will be the final authority on class sign up for exhibitor’s judging, awards and premiums.

July Leaders’ Meeting – Project animals can be changed up to Horse Leaders’ Meeting in July with a vet certificate/letter and/or written letter from leader stating safety concerns or unsound issue. Horse Superintendents and/or Fair Board must approve these changes. **No classes can be changed or added after July 1 sign up, unless approved by horse superintendents and reflect changes in project animal or safety concerns.** Any exhibitor changing their project animal after May 1st is not eligible for championship classes or high-point awards.

Check-in – Horses may be checked in between 4 p.m. and 8 p.m. on Sunday before Fair. Horses must be unloaded in the parking lot, off the pavement, stop at picnic table under trees for inspection, then lead across the crosswalk, lead behind the red barn, and then up the hill to assigned barn. Original negative Coggins and helmets must be presented for inspection at this time. The exhibitor **MUST** be wearing boots at time of check in. Once your helmet is inspected, the ID you will be given must be attached at all times to designate that your helmet has been inspected. Minis will be measured and tagged at designated time (promptly after check in has closed), in front of the Quonset Hut. Gymkhana only haul-ins: Check in on Wednesday from 10 a.m. to 12 p.m. **ONLY** in designated area. Horses must be checked out Sunday after Fair starting at 6 a.m. and no later than 11 a.m. A barn manager must check each exhibitor’s stall before horses are removed from grounds. Exceptions will be made only in an extreme emergency. Anyone leaving early without written permission from Fair Board and/or horse superintendent may not be eligible for premiums the current year or stalls the following year, and may be subject to any further discipline as the Fair Board deems appropriate.
