Project Requirements:

1. Each jar should be labeled as follows: Product, Name, Address, Age, Division, Class, Contents, Date & Recipe.
2. Exhibits should be in pint or quart jar. Any size decorative jar for food gift in a jar ONLY.
3. Select division and class numbers that correspond with your exhibit.
4. The "ACTION" exhibit may be an educational display (i.e., use of poster 14"x 22", props, etc.) or an actual exhibit of the finished product used in such a way that the exhibitor can actually show and explain what he or she has "done" and "learned". The "ACTION" exhibit is different from a demonstration as it would emphasize showing WHAT rather than HOW. This doesn't mean that the HOW would not be included, the primary objection would be to make the audience aware of WHAT the exhibitor has been doing and learning.
5. If displaying jars in a basket, please limit the height to no more than 11" tall.
